Ocean Dynamics

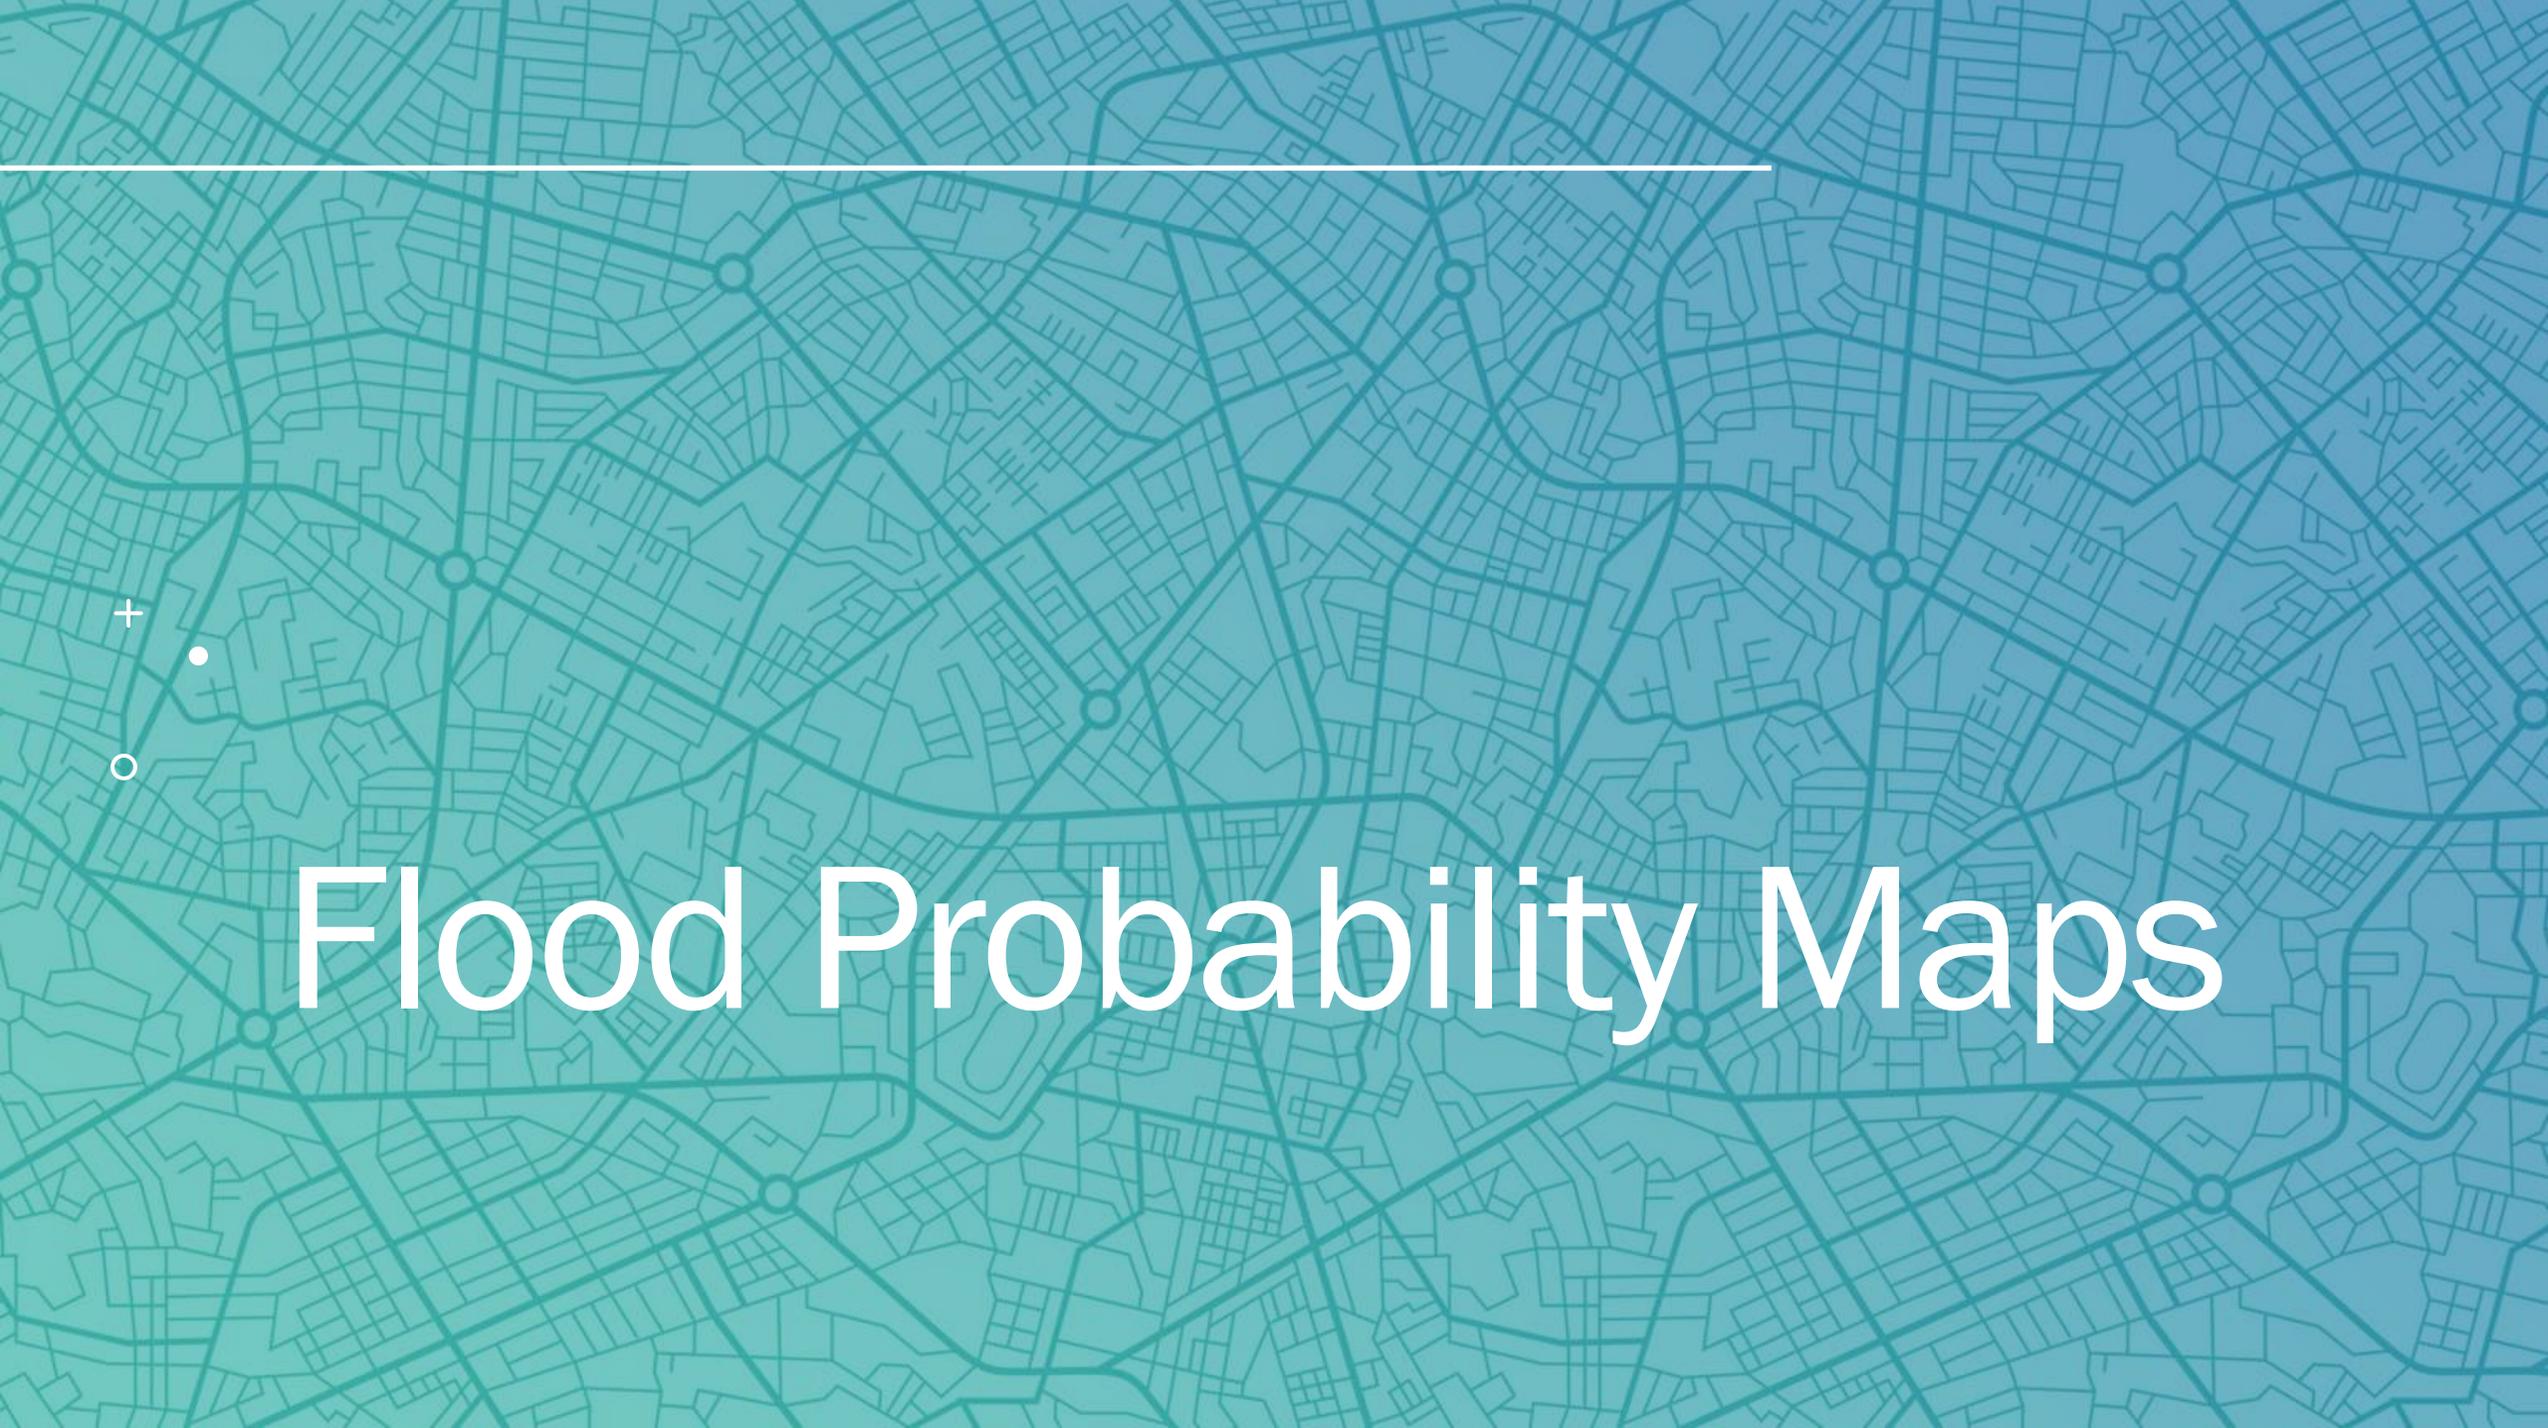

Massachusetts Sea Level Rise Projections

› Projections from Resilient MA (DeConto and Kopp, 2017)

› Labels in flags are relative sea level rise from baseline year of 2008 (1999-2017) in MC-FRM

› SLR Projections are regionally representative of Fall River to Truro MA

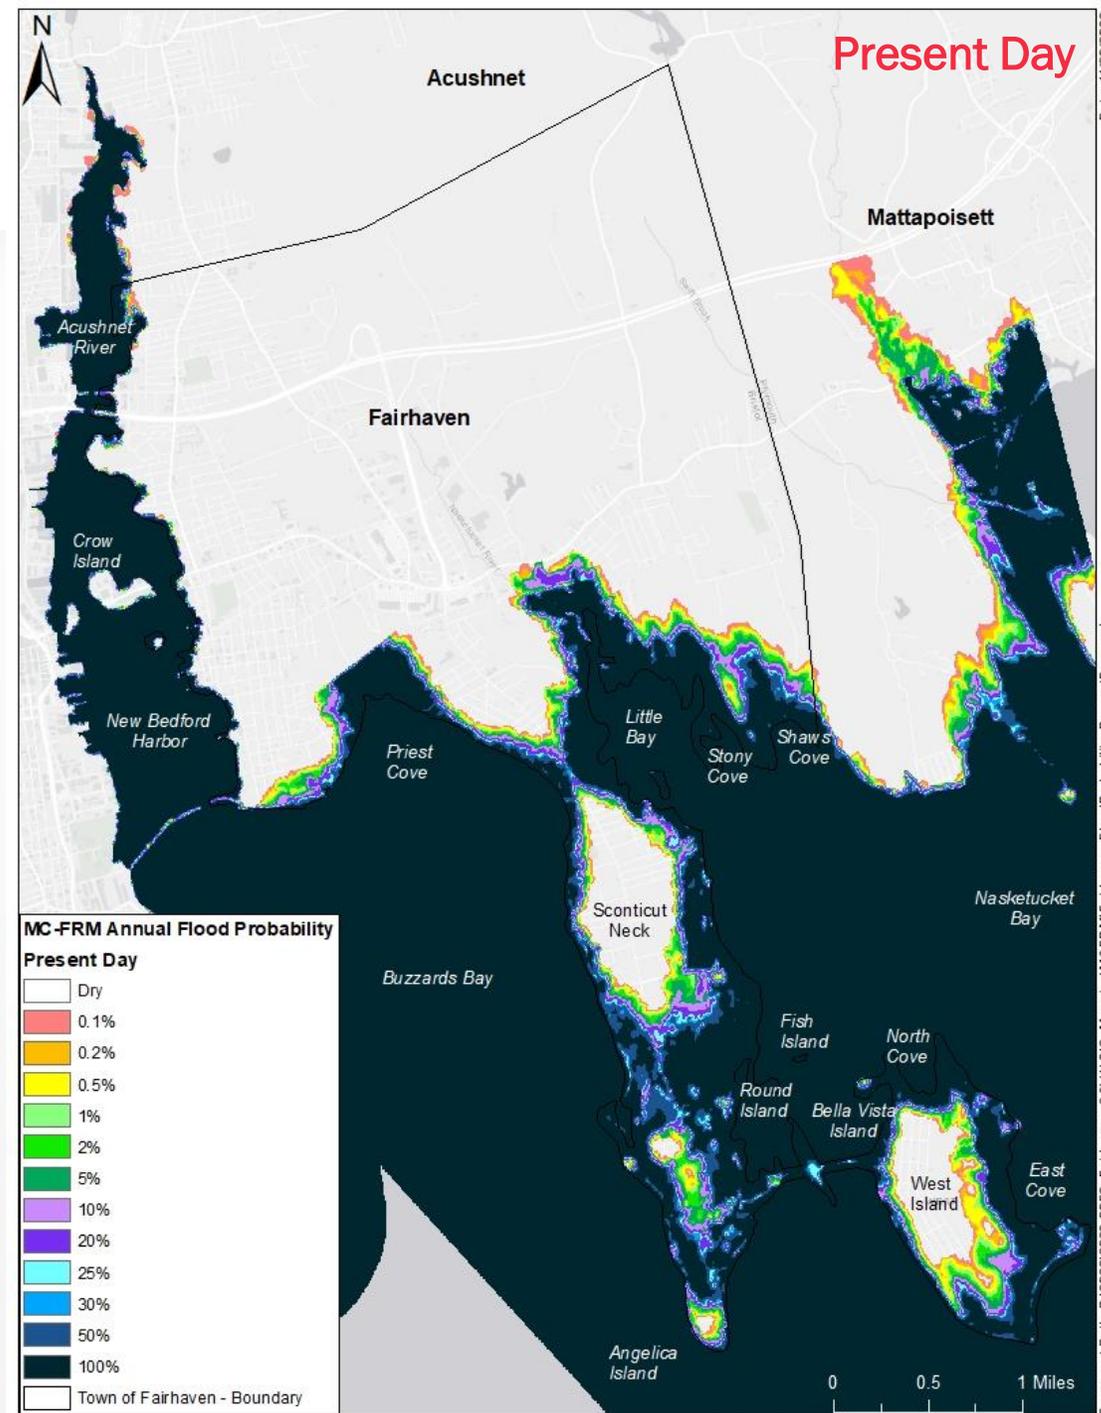

The background is a teal-colored map showing a dense street grid. A white horizontal line is positioned near the top. On the left side, there are three small white navigation icons: a plus sign, a solid dot, and an open circle.
