Jeffrey W. Osuch
Executive Secretary

South Coast Wind Power Collaborative

Music Hall

Marion, MA 02738

Monday, September 24th, 2007

7:00 p.m. to 9:00 p.m.

Agenda

1. Introductions of those present.

2. Keynote Speaker: Brother Joseph, Spokesperson for Portsmouth Abbey School's Wind Turbine. Brother Joseph will tell us how much power the turbine has produced, the monthly average wind speeds, and the cost savings realized with its operation. He will also touch on reactions of the neighbors to the turbine. At the end of his presentation he will answer questions from the audience.

3. Town by town brief updates on progress made in your search for wind power since our second meeting on February 26th, 2007 as well as future directions.
