October 25, 2012

Agenda items

1. Minutes approved: September 20, 2012
2. Bill Roth presented memorandum to be presented to the selectmen RE: CPC signage project.
 - outlined map of signs and markings
 - prices and installation dates
 - Messrs. Espindola and Coes expressed interest in including directional/destination signage to "Bike Route" signage

Motion to approve memorandum passed

3. RE: private land over which a bike route to New Wood School would pass—Greg will discuss with Buzzards Bay Coalition head Mark Rasmussen the possibility of arranging a purchase of the land.

4/5. Discussion encompassing agenda items 4/5: Public Meeting to discuss West Island/Sconticut Neck and tying in with Wood School connector.

Options discussed:

- Sidewalk on East side of Sconticut Neck Road North of Wood School
- Kathleen Sturtevant will discuss this area with BPW again in coming meeting
- Ken Proposes discussing all possible options, assigning specific tasks in November meeting for early 2013 adoption

6. Discussion of MassDOT letter RE: New Bedford/Fairhaven connection

7. General confusion RE: what our account is, how it is managed and who has ultimate authority. Mr. Espindola reads letter, wording is discussed and changed. More questions RE: specificity of spending. Motion is made for Ken to draft a letter to the Selectmen requesting change of the committee name to more accurately reflect the objectives of the committee.
