

**Bikeway Committee Minutes**  
**March 19, 2015**

March 19th Bikeway Committee meeting did not have a quorum, a few non-voting items were discussed:

Mat Coes filled out the Homecoming application and sent a check (in hopes of reimbursement)

Jeff Wotton updated the committee on the Earth Day Cleanup event. He has a Stop & Shop gift card to raffle off and donation of supplies from Rocky's Hardware.

The committee will also be out on the path and at the Earth Day event at the Rec Center with a bike maintenance stand.

Bay State Bike Week events in May will include our annual group ride on the May 16th. Co-sponsored by the SCBA and SRPEDD. Sub-committee and organization to be decided at April meeting.
