The Fairhaven Board of Assessors held a publicly posted meeting at 40 Center Street, Fairhaven, MA on Wednesday, May 15, 2013.

Ronald Manzone, Chair, called the meeting to order at 7:35 PM.

In attendance were Ronald Manzone, Pamela Davis, Ellis Withington and Selectman Robert Espindola.

An open discussion ensued regarding the Assistant Assessor position in the Assessors' Office. The members made Selectman Espindola aware of the responsibilities of this position.

The hope of the Board members was to have the Assessing Department return to a full time Assessor serving also as Chairman of the Board and an Administrative Assistant.

The members shared different scenarios of keeping Jane Bettencourt in her current position adding support to that position by hiring a data collector. A possibility of creating a position as Clerk/Data Collector in the office was discussed.

The meeting adjourned at 9:20 PM.

Respectfully submitted,

Ronald J. Manzone, Chair
BOARD OF ASSESSORS
