## MEMORANDUM

TO: Board of Selectmen  
FR: Mark Sylvia, Chair and Members of the Town Administrator Screening Committee  
DT: November 19, 2015

---

The Town Administrator Screening Committee (TASC) met in public session on Thursday, November 19, 2015 and voted unanimously to recommend the following candidates (in no particular order) to the Board of Selectmen for consideration for the position of Town Administrator.

Gregory Enos  
Michael McCue  
Mark Rees

Working with the Collins Center at UMass Boston the Screening Committee received 26 applications. The TASC invited seven applicants to interview and decided to recommend the three applicants named above to the Board of Selectmen for consideration.

The candidates' references and backgrounds have been checked by the Collins Center and copies of their applications are attached.

The seven members of the TASC appreciate the confidence you placed in us to screen candidates for the position of Town Administrator. We recognize the significance of this being the first appointed Town Administrator in Fairhaven's history and discharged our duties with that in mind.

Members of the TASC will be present at your November 23, 2015 Board of Selectmen meeting to formally present our recommendations to you.
