Paul Foley received four responses to the Request for Proposals (RFPs) for the Rogers School property. They were Arch Lanagan, Marathon Construction, Joseph Piccardi Construction and MPZ Development. MPZ did not follow RFP guidelines for submission.

The Criteria for Evaluation for the proposals was discussed and it was decided that the Ranking Criteria would be: Highly Significant 3, Significant 2 and Moderately Significant 1. Paul Foley (Town Planner) and Wendy Graves (Acting Town Administrator) will review each proposal for RFP compliance. Each member will then rank each proposal. The highest ranking proposal will then go to the Board of Selectmen and they will make the final decision.

The Committee asked for search what it would cost to do an updated assessment and / or explore additional possibilities for the Rogers Property and bring to committee.

The committee did not set a date for the next meeting.

Respectfully submitted,

Beverly Rasmussen
