RE: DEP File #SE 023-1344
The Delano Irrevocable Trust
10 Nelson Avenue

On behalf of the applicant, The Delano Irrevocable Trust, we hereby request an extension to the Order of Conditions that was issued by the Commission on September 8, 2021. Following the issuance of the Order, this document was recorded at the Bristol County Registry of Deeds in Book 14039, Page 252.

Work authorized by this permit was initiated by the applicant following the recording of the permit. Due to the fact that the applicant was dealing with several medical issues over the past couple of years, the completion of the proposed coastal structure project was delayed.

At this time, the applicant has scheduled a contractor to complete the remaining work on this site. Given the fact that we are currently in the summer beach and boating season, this work is scheduled for late Fall 2024, weather permitting.

In addition to this written request for the extension, the applicant is providing the required \$150.00 filing fee for the processing of this request.

Please feel free to contact me should you have any questions or comments regarding this matter.
