

46 Hawthorne St. Fairhaven

Map 22 – Lot 231

Project Narrative

Dear Planning Board Chair & fellow town members. I am requesting the Boards approval of an ANR application between lots 231-238. (Combining Lots 231-236 & 237-238). The Build Commissioners “Zoning Determination” has deemed the new lot to be buildable and the zoning requirements when the original home was built and purchase of lots 231-236 to be in compliance. The new home will be built within setbacks and connect to town water & sewer.
