Time	Topic	Lead	Purpose
6:30	Quorum and Attendance	Will	In Attendance:
	Approval of November Mtg Minutes	Will	Vote to approve November <u>Minutes</u>
6:35	Check-In		
6:55	Letter of Support for Part II of Alden St Bike Lane		<p>The DPW has applied for a Shared Streets and Spaces grant to extend the painted bike lane on Alden Road from Howland Road north to the Acushnet town line.</p> <p>Will provided a <u>letter of support</u> from this committee. While normally the full committee would review prior to submission, the DPW was against an early January deadline. Likewise, this committee has discussed and shown support for the initial stage of this</p>

			<p>project in the past.</p> <p>The DPW also asked for a letter of support for a grant for intersection work on <u>Sconticut Neck Road/Manhattan Ave</u>. I (Will) did not feel comfortable providing a letter of support on behalf of the committee. The committee has not discussed this proposed work, nor was it involved in determining what street safety projects to prioritize.</p> <p>I have related to the DPW that, in order for us to be able to support projects in the future, this committee must be involved at the initial vision/values/priorities stage of planning (not just brought in later for public input).</p>
7:25	Committee Leadership - Chair Transition	Will	<p>Given the additional work that I have taken on with SouthCoast Places for People and other ventures, I would like to step down from actively chairing this committee.</p> <p>I would like to nominate the highly committed and very able Jon Camara to serve as the Committee Chair, with Miles Grant continuing to serve as Vice Chair until the Fall.</p>
	Annual Report	Will	Draft Annual Report for review
7:25	Parking Lot	Will	Determine what to do with any Parking Lot items and review next steps from our meeting.
7:27	Quick Updates	All	
7:30	Close		Adjourn
