

The School Committee agenda for the March 18, 2026 meeting was originally posted on March 16, 2026 at 2:55 PM; however, the timestamp displayed on the file is incorrect. On March 17, 2026, the file became corrupted due to a Cloudflare outage. Upon discovery of the issue, the file was replaced within one hour.

In accordance with Open Meeting Law requirements, a public body has up to six hours from the time a corrupted file is identified to correct or replace a posting. The agenda was restored well within this timeframe, maintaining compliance with applicable regulations.
