

ROGERS SCHOOL REUSE COMMITTEE MINUTES

SEPTEMBER 24, 2026, MEETING

Present: Sue Loo, Doug Brady, Beverly Rasmussen, Nils Isaksen

Finance Committee Rep Ken Blanchard

Economic Development Rep Keith Silvia

Selectboard Liaison Pam Kuechler

Absent: Planning Board Rep Patrick Carr

Meeting was held in front of the Rogers School to discuss location of newly acquired plaque stating the school has been placed on the National Historical Register.

Several locations were discussed among the committee members. Two locations were voted on as to possible locations. First one being in the front of the school, close to Center Street where there is a Hosta plant. Pam Kuechler will speak with a member of the family who had a tree planted in the same area for a student who was tragically killed in a car accident. The tree is no longer there due to rot. Committee would like to get approval from family to place sign in the same area.

The second location is close to the corner of Center Street and Pleasant. A question of a drain in the area was brought up. However, Mr. Vinny Furtado was contacted, and he stated there would not be any issue if placed there.

Motion made by Doug Brady to approve the possible location of the plaque in one of these two areas. Second by Ken Blanchard. Motion passes unanimously.

Further action will be taken once final word is received from the Trull family via Pam.

Meeting adjourned at 6:39
