Dear Amy and Members of the Select Board,

I am writing to formally inquire about the following matters regarding the Select Board:

1. Will the public correspondence that has been removed from the Select Board's agenda remain part of the permanent public records?
2. What is the current annual stipend amount received by Select Board members?

Please note that this email constitutes formal public correspondence intended for inclusion in Fairhaven's permanent public records.

Thank you for your assistance.

Sincerely,

Michelle Costen
