Questions, Comments, Concerns

Dear Members of the Select Board,
I am writing as a Fairhaven resident to bring a traffic safety concern to your attention regarding the Main St and Washington St intersection.
Lately, there has been a noticeable increase in unsafe turning. This creates a safety hazard for local neighbors, pedestrians, and cyclists.
I would appreciate it if the Board could review this area, possibly coordinate a speed or traffic volume study with the Fairhaven Police Department or Highway Department, and consider safety measures such as updated signage or traffic calming solutions.
Thank you for your time, leadership, and attention to keeping Fairhaven's streets safe.
Sincerely,
Dennis Barbosa
