Questions, Comments, Concerns

Dear Select Board of the Town of Fairhaven,
I would like to start off that I am a Freshman currently attending Fairhaven High School. I am very amazed by the school and the town surrounding it. I have recently heard on a local radio news channel(1420 WBSM) about Flock Cameras and how residents are concerned about their privacy. I have come to say that we Should keep the Flock Cameras in our town. I truly believe that the Town of Fairhaven should keep Flock Cameras working because they help out our Police Departments find and locate criminals. We can all agree that we want our Police forces around America to be as powerful as ever. In order to do so we should keep these Flock Cameras working. I thank you very much for reading this. I truly hope that we can make a fair agreement on this topic. Thank You
Lucas Mello
