Questions, Comments, Concerns

Please see the email sent on Novmber 3, 2026.

Subject: URGENT: Formal Notice to Fairhaven Town Leadership | Immediate Attention and Action Required | On-going Civil Rights Violations

Continued avoidance of this matter will have devastating consequences for all involved - personally and professionally - while also placing the Town itself in peril, in terms of its ability to remain as a "going and independent concern."

You risk BANKRUPTING the Town of Fairhaven and miring it in legal issues for YEARS.
